

# Daleside Vets Smallholder Club

Our newly launched smallholder club is an exciting new membership available to our clients.

Designed for anyone with non-commercial animal holdings, covering cows, sheep, alpacas, goats, pigs and poultry.

The club has been developed by our in-house team of vets, to provide you with a huge range of savings as well as opportunities to increase health and longevity in your animals.

[www.dalesidevets.co.uk](http://www.dalesidevets.co.uk)

Whether you have **1 cow** or **15 alpacas** this plan will be fully personalised to meet your needs and concerns.

## What is included?

- An annual vet visit to prepare your health plan and yearly health care calendar.
- At this visit you can discuss any problems or concerns you have noticed within your stock
- Shared vaccine days so you no longer need to purchase a whole bottle!\*
- 3 worm egg counts included - plus discounts on any additional ones
- Discounted training courses throughout the year and access to relevant farmer meetings
- Access to the private Facebook group for non-urgent queries and connecting with other like-minded people
- FREE telephone advice
- Access to our veterinary technician services
- Veterinary Attestation Numbers (VAN) included for FREE
- FREE record keeping bundle (including medicine purchase and use records, feed records, birth and death records)

With all of the above provided to you in a single, easy to reach folder so it never gets lost.

## All for only £20 per month!

That's a basic saving of over 20% if buying these services separately!

For further information visit our **Smallholder Club** page of our website or get in touch with us by phone on 01978 311 444 or email [hello@dalesidevets.co.uk](mailto:hello@dalesidevets.co.uk)

**[www.dalesidevets.co.uk/smallholderclub](http://www.dalesidevets.co.uk/smallholderclub)**

\*shared vaccine bottles will be on specified dates throughout the year only. If you are not available on these days you may need to purchase your own bottle.
